GUIDE

Mental Health & Wellbeing Signposting Guide for Learners

Looking after yourself during your apprenticeship

Balancing work, study and life can be hard. It's normal to have difficult times — and it's always okay to ask for help. Your skills coach checks in on your wellbeing at every review, but you don't have to wait for a review to talk to us.

Getting help from Delcorn

- Talk to your skills coach — they can help with workload, OTJ time and adjustments.
- Contact the safeguarding team: safeguarding@delcorn.co.uk or 020 7946 0199 (08:00–18:00, Monday to Friday).
- Ask for additional learning support if you have a learning difficulty, disability or health condition.
- Request a break in learning if you need time away from your apprenticeship.

> **In an emergency**
> If you are in immediate danger or have seriously harmed yourself, call **999** or go to A&E.

External support

Service	What it helps with	Contact

Shelter	Housing and homelessness	0808 800 4444
Your employer's EAP	Confidential counselling	See your employer intranet

Small things that help

- Block out OTJ time in your calendar and agree it with your manager.
- Take breaks away from screens.
- Stay connected — join the learner community in Teams.
- Keep sleep, exercise and food routines where you can.
